

BRAHMAREDDY GANGAVARAPU

I am seeking a demanding position in a respectable organization where I can expand my knowledge and learn new abilities. Achieving organizational goals and climbing the career ladder through commitment and continued learning. My commitment is to leverage my skills to further the objectives of a company.

Experience

TAP ACADEMY | JAVA FULL STACK INTERN

March 2024 - September 2024 Bangalore, Karnataka

- During my internship at Tap Academy, I gained hands-on experience in full-stack development. I worked extensively with core and advanced Java, MySQL, and frontend technologies, including HTML, CSS, and JavaScript.
- Created a dynamic user interface using HTML, CSS, and JavaScript.
- Managed data with MySQL and integrated JSP and JDBC for seamless database connectivity and content delivery.

KodeNest | JAVA FULL STACK INTERN

June 2023 - July 2023 Bangalore, Karnataka

- Created interactive and user-friendly web interfaces using HTML, CSS, and JavaScript.
- Utilized database systems to store and manage product information, customer data, and order records.

TecnoHacks | Web Development

July 2023 - August 2023

- Gained practical web development experience during a one-month internship.
- Built a portfolio project from scratch, demonstrating skills in HTML, CSS, JavaScript, and basic backend setup.
- Focused on creating a responsive, user-friendly design to showcase coding abilities and project development skills.

PROJECTS

CYBER SECURITY AWARENESS IN ONLINE EDUCATION A CASE STUDY ANALYSIS

- Researched how well users know about cybersecurity threats in online education.
- Discovered key risks that can harm user data and privacy.
- Proposed simple steps to improve online security and protect sensitive information.
